HIBS Outdoor Education Programme

Year 9 Ski camp

Activities at each year level

Year 7

The emphasis of the camp is fun and the development of friendships between their peers and housemasters.

It is a two day residential camp held at Wellesley Country Club on the Akatarawa Road.

Year 7 camp

Year 8

Bush craft, including survival, fire lighting, river crossing and navigation is the theme of this three day tenting adventure. The boys face the challenge of preparing and cooking their own meals, whilst experiencing all that the bush has to offer.

Year 8 camp

Year 9

Based around mountain and snow craft, this week long camp teaches the boys survival techniques and a variety of alpine skills. And what mountain adventure would be complete without two days of skiing.
