

Year 7 - 13

Stationery Booklet

2010

General Information

Your son is required to start day one with all his stationery requirements. Please do not leave purchasing his books until school has started.

Books can be purchased online from Paper Plus and School Supplies through the links on the HIBS website. Delivery is free on all Paper Plus orders and on School Supplies orders over \$55.

Also, the Paper Plus stores at Lower Hutt, Porirua and Upper Hutt will stock all of the stationery requirements specific to HIBS and will have staff available to pick and pack your order when you go to their shop.

There are websites, phone numbers and email addresses for these stores on the HIBS website which you can use to pre-order books and materials in order to be sure that they are there when you go to pick them up.

All of these suppliers refund a percentage of HIBS purchases back to the school.

Selected Art, Photography, Accounting, Graphics and Physical Education items marked with an * must be purchased through the school. This is also the case with the Bible which all students must have. Please make payment by cheque on the first day of school. Students will not be given materials until payment is received.

General Requirements

HIBS Diary	1 <i>free to students and obtained from HIBS</i>
