

WHAT'S ON @ HIBS

Term 1

Week 4

18 February 2019

FROM THE PRINCIPAL

Next week is a big one for our youngest students as they head off to the Year 7 camp. This year we are trying out a different venue at the YMCA Kaitoke Outdoor Adventure Centre and I look forward to visiting them on Tuesday to see how they are getting on. Each year that I have visited the camps, I have been impressed by the work that our Year 10 and Year 13 students do to facilitate the activities and relationship-building at camp and I expect this year to be no different.

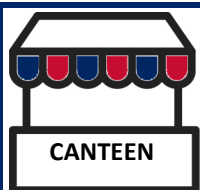

Before our 25th Jubilee in 2015, we set up a Facebook page "HIBS School". However, we have not made effective use of this since then. This is about to change with regular postings and photographs of things that involve our students. Parents of Year 7 students may want to sign up to this page so that they can keep up-to-date with the camp activities next week.
