**REFEREES:**

Each Senior and Junior team needs to provide a referee at every game. We are always looking for more students to get involved in refereeing. Courses are provided and we pay students to referee games. In addition to the College Sport Wellington competition, the Senior A and Junior A teams are also eligible to compete in the Regional Secondary Schools Winter Tournament in September which is held in the lower North Island. This is subject to approval from the Sports Committee. We are always looking for parents/caregivers to help out with coaching, managing or transporting Basketball teams. If you would like to help with this, please let us know when you complete your child's Sports registration form.
