

WHAT'S ON AT HIBS

 Term 1

 Week 7

FROM THE PRINCIPAL

We received a lot of positive feedback from the 'Our Kids Online' presentation this week. Many parents went away with strategies they can use at home in regards to technology.

Interim reports for all students will be available on the HIBS Portal next Friday evening. These are grade only reports, but provide parents with an early indication of how their son is settling into each of his classes. Parent Teacher Interviews will follow in the coming weeks. Information regarding these, including the booking code, will be emailed to parents next Monday, 11 March.

All the best to our Year 12 and 13 students heading away on camps next week, and to our Year 7 and 8 students attending the Sports Exchange in Hawkes Bay.
