A derived grade may be available if, for an approved reason you:

- a. could not sit an external examination;
- b. did not submit a **completed** portfolio (Level 2 & 3 Design and Visual Communication, Technology, Level 3 Education for Sustainability or Level 3 Visual Arts) – please note, a portfolio will still need to be submitted; **derived grades are not available for Level 1 over-time submitted externals.**
- c. sat an NZQA external examination and believe your performance was **significantly** affected;
- d. have been selected for **national representation** in a sport or approved activity – please note that you need to see your school's Principal's Nominee for a [pre-approval form](#).

Approved reasons include:

- **at the time of the exam:**
 - a temporary acute non-recurring illness
 - trauma, misadventure, or exceptional circumstances
 - a sudden and significant change to a long-term illness
- significant conditions diagnosed after **1 October** or a traumatic event after **1 October**

There is more information on derived grades [here](#) on the NZQA website.

Please note: derived grades are not to compensate for missed learning or study time

 - help you make an application
 - ensure all required information is provided in your application
 - make the application to NZQA on your behalf
